Under PPRA, parents and students over 18 years of age ("eligible students") have the right to:

3. Inspect, upon request and before administration or use:
 - Protected information surveys of students;

MHSD has developed and adopted a policy, in consultation with parents, regarding these rights, as well as arrangements to protect student privacy in the administration of protected information surveys, and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. MHSD will notify parents of this policy annually, at the start of each school year, and after any substantive changes. The

District will also directly notify through the school district website, Mountain Home Newspaper, and during registration.

MHSD will make this notification to parents at the beginning of the school year if the District has identified the specific or approximate dates of the activities or surveys at the time. For surveys and activities scheduled after the school year starts, parents will be provided reasonable notification of the planned activities and surveys listed below and will be provided an opportunity to opt their child out of such activities and surveys. Parents will also be provided an opportunity to review any pertinent surveys. Following is a list of the specific activities and surveys covered under this requirement.

This requirement also applies to the collection, disclosure, or use of student information for marketing purposes ("marketing surveys"). The following is a schedule of activities requiring parental notice and consent or opt-out for the upcoming school year. This list is not exhaustive and, for surveys and activities scheduled after the school year starts, the District will provide parents, within a reasonable period of time prior to the administration of the surveys and activities, notification of the surveys and activities and provide them with an opportunity to opt their child out, as well as an opportunity to review the surveys. (Please note that this notice and consent/opt-out transfers from parents to any student who is 18 years old or an emancipated minor under State law.)

If you wish to review any survey instrument or instructional material used in connection with any protected information or marketing survey, please submit a request to the building administrator who will notify you of the time and place where you may review these materials. You have the right to review a survey and/or instructional materials before the survey is administered to a student.
