November 2025

National School Lunch week

During National School Lunch week in October, your students took a trip around the world partnered with our Global Eats program. They enjoyed dishes such as Dan Dan Noodles from China, Chicken Pozole from Mexico, Roasted Jerk Chicken from the Caribbean, and Chicken Broccoli Alfredo from Italy. Ask your student what country they liked visiting the most.

DISCOVERY KITCHEN FUN

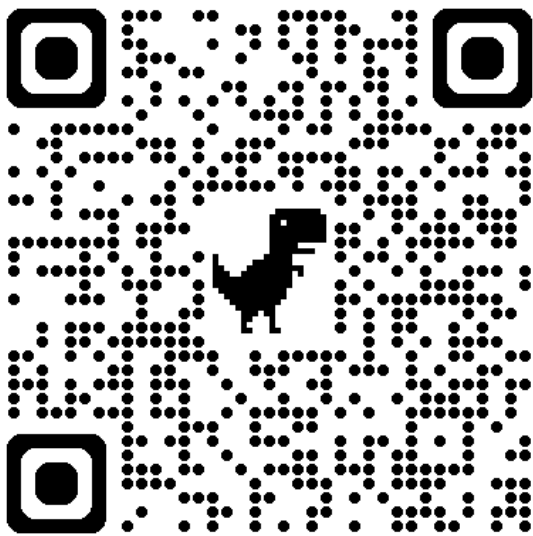

Let's Get Cooking

We're celebrating scratch cooking and preparing meals together for Let's Get Cooking month. In the cafeteria, we'll highlight the flavors of homemade foods and empower students to make some of our own recipes at home with family and friends. Since the holidays are right around the corner, we thought this was the perfect time to get everyone excited about cooking together!
